ELITE RESIDENTIAL ACADEMY

July 24-27 | Boys & Girls Ages 11-18

The Elite Academy is for the serious soccer players. This intensive 4-day camp brings some of the best talent from all across the nation and even internationally to Tallahassee all looking for the edge to get to the next level. The mission of this academy is simple: provide every player with an unforgettable soccer experience that takes them to a new playing level. To help accomplish this Mark Krikorian brings in a combination of elite college and club coaches with current and former collegiate players. The primary focus will be on technical application, as technique is the foundation of all success. Campers will be introduced to the tactical side of the game and be afforded a firsthand glimpse into the "beautiful game" that is Seminole Soccer.

MIKE BRISTOL GOALKEEPER ACADEMY

All FSU Soccer Camps

The Mike Bristol Goalkeeper Academy runs sessions at all Mark Krikorian Soccer Academies. You'll get the chance to learn from FSU Assistant Coach Mike Bristol's expertise; the same tutelage that helped develop 6 U.S. Youth National Team Goalkeepers. An emphasis is placed on creating a challenging and complete training environment. To achieve this, the keepers will train technical topics as a group and then be incorporated into the field player academy sessions to gain valuable tactical experience. This allows for the goalkeeper coaches to give both technical and tactical 1 on 1 feedback to each keeper.

*Camps are open to any and all entrants and are only limited by the age, grade, number or gender as listed on the camp description.
